EXPERIENCE

- **MERN Training** Jalandhar
Programming Pathshala 06/23 - 07/23
 - Developed a Swiggy clone using the MERN stack to gain practical experience in full-stack web development.
 - Integrated MongoDB, Express.js, React.js, and Node.js to create a functional food delivery platform with user authentication, order management, and real-time tracking features.
 - Showcase proficiency in full-stack web development and demonstrate the ability to design and implement complex features similar to those found in real-world applications.
 - Enhanced understanding of the MERN stack, improved proficiency in frontend and backend development, and hands-on experience in building scalable and responsive web applications.

PROJECTS

- **Recipe Application** 01-01-2024 - 01-02-2024
GitHub
 - Technologies Used: HTML, CSS, React JS.
 - Create a dynamic recipe app using React JS to provide users with a user-friendly platform for exploring, saving, and sharing recipes.
 - Boasting a responsive UI for seamless navigation. Integrate a recipe API for dynamic content and include essential features like search and favorites management to enhance user experience.
 - Enhanced React JS proficiency through real-world application, mastering asynchronous data handling, dynamic content rendering, and fundamental frontend development principles.
- **Chat Application** 05-06-2023 - 07-07-2023
Github
 - Technology Used: HTML, CSS, React.JS, Redux, Axios
 - Designed and developed a feature-rich chat application using HTML, CSS, React.js, Redux, and Axios, offering users a seamless real-time message experience.
 - Utilize React for dynamic UI rendering, Axios for efficient data fetching, and HTML/CSS for a visually appealing and responsive design.
 - Enable smooth and real-time messaging experiences, enhancing user connectivity and interaction in a visually pleasing environment.

EDUCATION

- **Lovely Professional University** Jalandhar, India
B.Tech - Computer Science and Engineering - 7.54 CGPA (Prefinal Aggregate) 07-2021 - 07-2025
- **New Angels Sr. Sec. School** Pratapgarh
Class XIIth - CBSE - 77.8 % 07-2019 - 07-2020

SKILLS SUMMARY

- **Foundation Technologies** HTML, CSS
- **Languages** Java, JavaScript
- **Frameworks** ReactJS, NodeJS, Redux
- **Databases** MySQL
- **Tools** VS Code, Git, Postman
- **Familiar** AWS, Apache CloudStack Management Server, Docker

CERTIFICATIONS

- **Java** - HackerRank
- **RESTAPI** - HackerRank
- **Responsive Web Design** - FreeCodeCamp
- **IBM Cloud Essentials** - Edx
- **Full Stack Development in MERN** - Programming Pathshala

COURSEWORK

- Object Oriented Programming
- Data Structures and Algorithms
- Operating Systems
- Database Management Systems
- Computer Networks

EXTRA-CURRICULAR ACTIVITIES

- Co-writer for school play, collaborating with team to script, produce, and perform.
